### NTU Asian Business Case Centre – NAS Case Study

After receiving ISO certification for Archives Conservation Laboratory (ACL) and Imaging Preservation Laboratory in January 2003, a case study on the quality standards of NAS' archival operations was written. This was a joint effort between NAS and NTU Asian Business Case Centre's (ABCC) Professor Hesam Quasi and Ms Elizabeth O'Neil.

## Singapore History Museum (SHM)

### The Old Man And The River

Commissioned by SHM, the film is a part of the *Rivertales* exhibition, and has received international recognition. It was selected for official screenings at the 14th Stockholm International Film Festival 2003 in Sweden and the Tampere International Film Festival 2004 in Finland.
