

Instructions:

1. Cut out the flag along the dotted line.

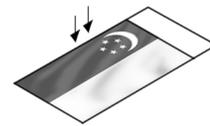

2. Fold it along the folding line.

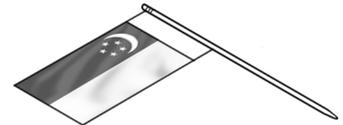

3. Open it up and apply glue on the inner side.

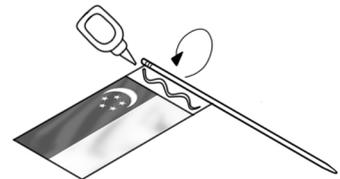

4. Close and gently apply pressure to allow glue to bond.

5. Glue a stick (wooden disposable chopstick, satay stick, etc) onto the edge of the white section. Allow time for stick and paper to bond.

6. Apply glue onto the white section and gently roll the stick towards the edge of the flag.

7. Allow time for glue to dry. Flip the flag over and you're done!
