NATIONAL MUSEUM OF SINGAPORE

With a history dating back to 1849, the National Museum of Singapore (NMS) is the nation's oldest museum with a progressive mind. Its galleries adopt cutting-edge and multi-perspective ways of presenting history and culture to redefine conventional museum experience.

A cultural and architectural landmark in Singapore, the Museum hosts innovative festivals and events all year round—the dynamic Night Festival, visually arresting art installations, as well as amazing performances and film screenings—in addition to presenting thought-provoking exhibitions involving critically important collections of artefacts. The programming is supported by a wide range of facilities and services including F&B, retail and a Resource Centre.

The National Museum of Singapore re-opened in December 2006 after a three-year redevelopment, and celebrated its 125th anniversary in 2012. The Museum refreshed its permanent galleries and re-opened them on 19 September 2015 for Singapore's Golden Jubilee.

ASIAN CIVILISATIONS MUSEUM

The Asian Civilisations Museum (ACM) is devoted to exploring the rich artistic heritage of Asia, especially the ancestral cultures of Singaporeans. Founded in 1993 and in its present building by the Singapore River since 2003, the museum traces its roots to the Raffles Museum, founded in the middle of the 19th century.

ACM focuses on the many historical connections between the cultures of Asia, and between Asia and the world. Singapore's history as a port city that brought people together from all over the world is used as a means of examining the history of Asia.

Special exhibitions bring magnificent objects from around the world to our Singapore audience. Programmes like the annual River Nights encourage visitors to connect more closely with culture and the arts.
