GREAT SINGAPORE SOUVENIRS

Besides sharing the same acronym commonly known by many as the Great Singapore Sales - an annual shopping season in Singapore, Great Singapore Souvenirs celebrates Singapore through the exploration of local quirks and habits, and re-interprets them into merchandise that everyone can shop for and have fun with.

This collection is about meaningful and iconic souvenirs that are unique to Singapore's heritage, culture and the Singaporean identity and lifestyle.

The Great Singapore Souvenirs (GSS) is a collaboration between MUSEUM LABEL, SINGAPORE Souvenirs and FARMSTORE.
