The Jubilee Walk is an 8-kilometre trail that connects the past, present and future elements of the Singapore story. It provides a wonderful opportunity for families to discover the people and communities who have contributed to our cityscape.

This Activity Sheet features 6 out of 23 sites, making it a manageable trail for families to embark on!

Here are some tips:

- Admission to the museums is **FREE** for all Singaporeans/PRs.
- Check the museum website for the opening hours before your visit.
- Collect all admission stickers and complete the activities to redeem a limited edition Jubilee Walk Gift, while stocks last, till 31 Dec 2016. Only 1 redemption per Activity Sheet is allowed.
- Wear comfortable shoes and clothes.
- Pack drinks and light snacks such as sandwiches, biscuits or fruits.
- Look for the WE-FIE icon on the activity sheet. Take as many family photos and upload them on social media and #FunWithHeritage.
- The Jubilee Walk App is also available for download from the Apple or Android Store.

Answers: Merlion Park - The lion head symbolises Singapore as a "Lion City". The fish-like body is a reference to other ancient name of Singapore, "Temasek", which means "Sea Town" in Javanese.
National Gallery Singapore - Former Japanese surrender site.
Independence issued by then Prime Minister Lee Kuan Yew

Family Time

"Family Time" in CCE (lessons) provides suggested activities for families to bond. Through such family interaction, parents and schools build a meaningful partnership to inculcate values in their children.

1. ACTIVE DIALOGUE

Conversation Time

Help your children clarify their thoughts and reinforce the learning of values through your daily conversations.

Example:

Have a **CHAT** with your children about their favourite places in Singapore. Discuss with your children how they can play a part to keep these places clean so that everyone can enjoy it.

2. BONDING TIME

Take Actions

Build stronger bonds with your children by spending quality time together.

Example:

SHARE your experiences on the Jubilee Walk and join your children in making a family photo montage with pictures taken during the trail.

3. CONTINUOUS FEEDBACK

Motivate and Affirm

Encourage your children to put the values they learnt into action by affirming them.

Example:

During the Jubilee Walk, your children visited the buildings and structures built by our pioneers. Encourage them to share which of the pioneers inspired them and the values they learnt from them.

MOTIVATE your children to demonstrate these values in their daily lives.

THE JUBILEE WALK

START

JUBILEE BRIDGE

FUN FACT

The Jubilee Bridge is 220-metre long and can hold up to 2000 people!

FUN WITH ACTIVITY!

Enjoy the scenic cityscape as you stroll along the Jubilee Bridge.

(A) Draw a building that catches your eye!

(B) As you stand on Jubilee Bridge, pen down 1 wish you have for Singapore for SG 100.

KNOW YOUR TREES! Spot these significant trees along the Jubilee Walk!

Raffles Landing Site, Asian Civilisations Museum

DID YOU KNOW?

The White Frangipanis were specially chosen to complement the white Stamford Raffles statue at Raffles Landing. The flowers of the White Frangipanis are sweet smelling.

White Frangipani
(Plumeria obtusa)

Rain Tree
(Samanea saman)

Victoria Theatre and Victoria Concert Hall, Empress Place

DID YOU KNOW?

In 2015, eight mature Rain Trees in front of Victoria Theatre and Victoria Concert Hall were repositioned instead of being cut down when Empress Lawn was created. This was done to conserve the old trees that were growing there for a long time.

- What are some of the important roles that trees play?
- Why do you think it is important to care for our environment?

MERLION PARK

FUN FACT

The Merlion statue is 8.6-metre tall and weighs 70,000kg!

FUN WITH ACTIVITY!

Together with your family, take the most creative picture with the Merlion! #FunWithHeritage

Why were the lion head and fish-like body chosen to represent the Merlion?

CONGRATULATIONS!

We hope you have had an enjoyable time with your family!

END

Show your completed Activity Sheet at the Museum Label Shop at Level 1 to redeem a Jubilee Walk Gift!

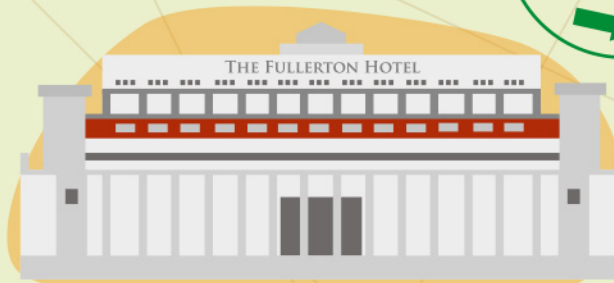

Paste your admission sticker here at the end of your visit.

FULLERTON BUILDING

FUN FACT

The Fullerton Building was once the **Mile Zero** of Singapore. All roads in Singapore used to stem from this point.

Name one road you see near the Fullerton Building.

Cross the main junction and Fullerton Building is located diagonally on your left.

ASIAN CIVILISATIONS MUSEUM

FUN WITH ACTIVITY!

This museum is home to many artefacts from Asia, especially from Southeast Asia, China and India. Go on a heritage hunt at Level 2 and locate these two treasures in the museum!

Take a **WE-FIE** with these artefacts. #FunWithHeritage
