

## GARUDA FINGER PUPPET

## TEMPLATE A

## BODY, BACK TAIL &amp; FINGER STRIP

## STEPS:

1. Download and print out the templates.
2. Colour and cut out the parts along the dotted lines in Template A.  
3. Fold the bird body along the red lines and stick the bird head together.
4. Attach the bird tail to the bird body by sticking T1 and T2 together.
5. Colour and cut out the wings along the dotted lines in Template B.  
6. Fold the bird wings along the red lines and stick the wings P2 onto the bird body P1.
7. Stick bird wings L1 and R1 onto each side of the bird body.
8. Form a ring using the finger strip to fit your finger and stick the ends together.
9. Stick the ring onto the bottom of the bird body.
10. Stick side tail L2 onto L1 and R2 onto R1 to complete the craft.

Don't forget to share your creations @ACM\_SG.
