

Fits an 11 x 11cm square cork coaster.

## INSTRUCTIONS

1. Download and print out the template.
2. Ask an adult to help cut out the silhouette of the ship.
3. Trace the ship onto the cork coaster with a pencil.
4. Using the eraser tip of a pencil, dab acrylic paint in circular mosaic patterns onto the cork coaster, following the outline of the ship. You can experiment with different paint colours.
5. Set it out to dry.
6. Create your own design by drawing and painting your own silhouettes.
7. Don't forget to share your creations @ACM\_SG
