## HEAD

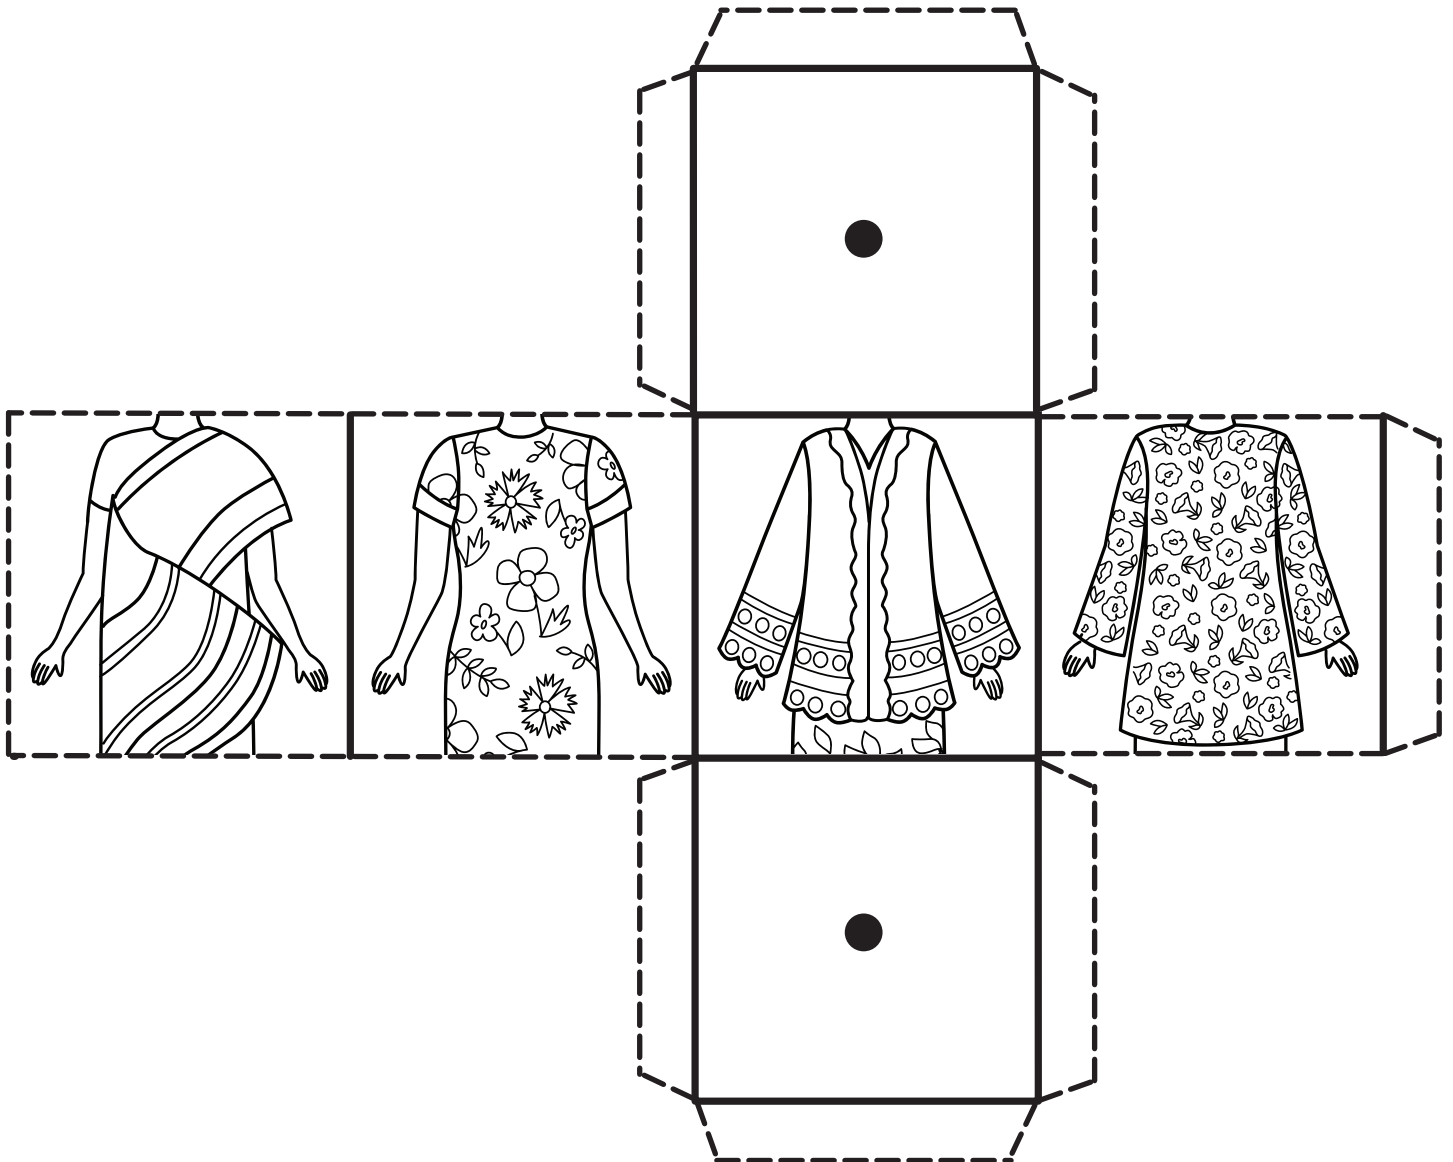

## INSTRUCTIONS

1. Download and print out the Templates A, B, and C.
2. Use scissors to cut out Template A along the dotted lines.
3. Punch holes at the black dots on the template.
4. Repeat steps 2 and 3 for the other templates.
5. Colour the costumes and draw in facial features and hair styles.

## TEMPLATE B

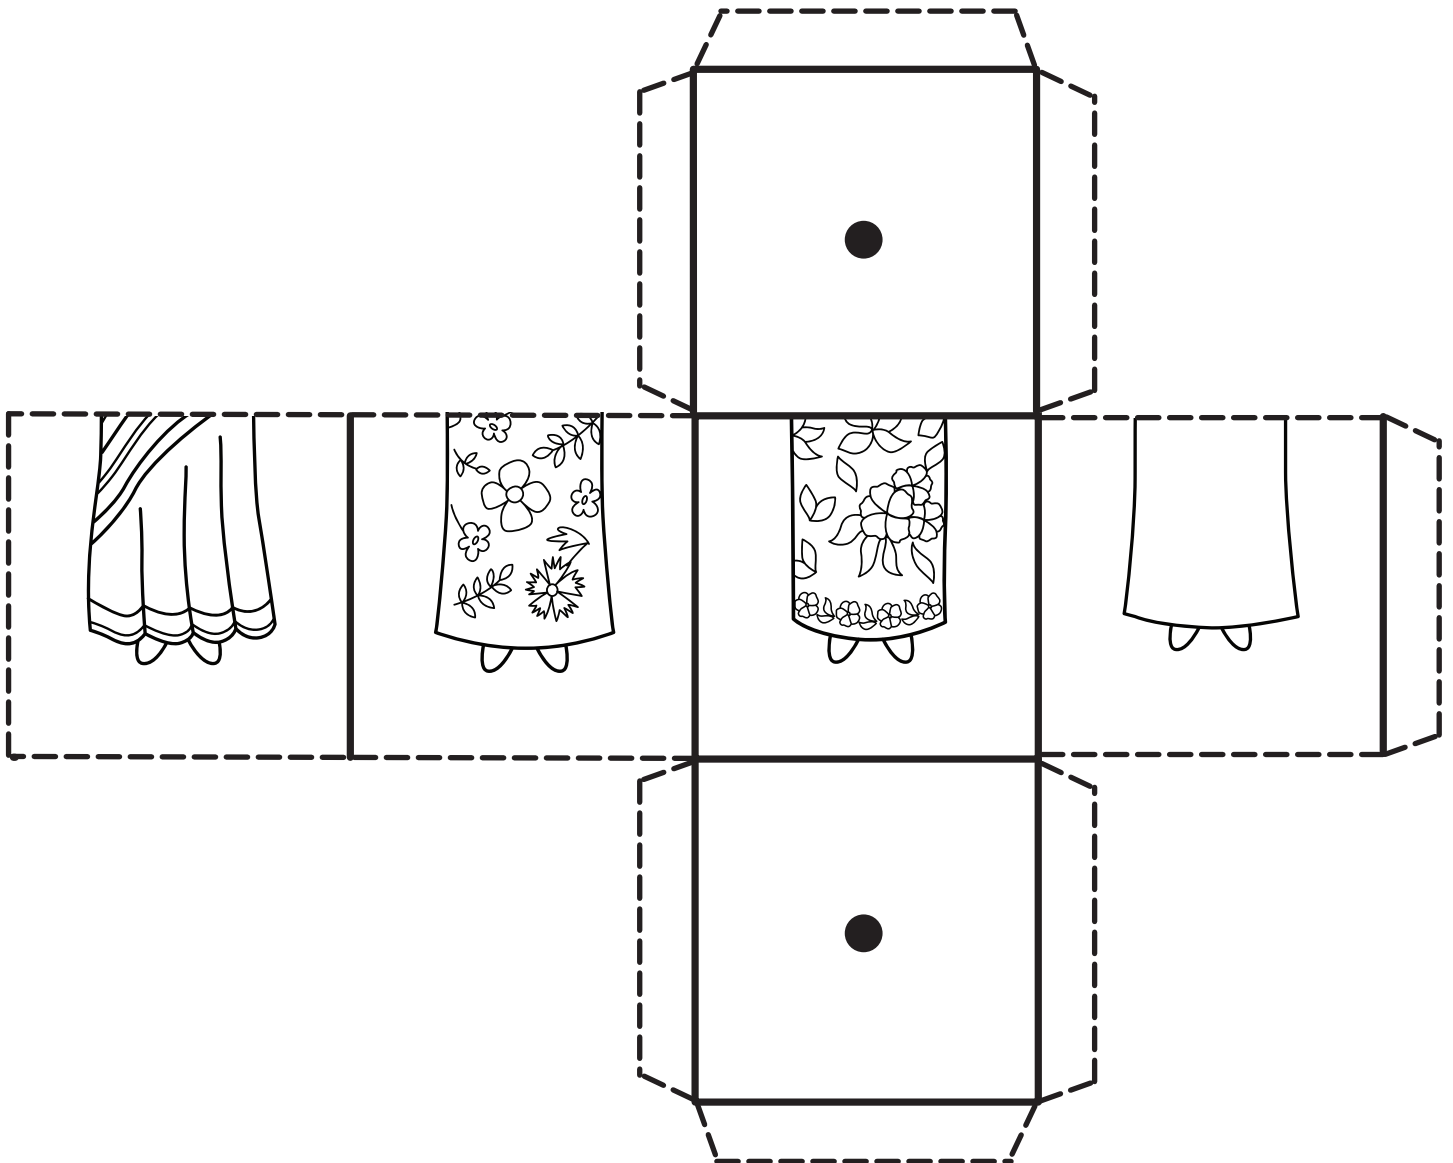

## TORSO

6. Fold each template along the lines and glue the tabs to form a cube.
7. Slide a chopstick through the holes in each cube to build your custom toy.
8. Rotate the cubes to mix and match the costumes.
9. Don't forget to share your creations @ACM\_SG
