## 3D CUP TEMPLATE

## TEMPLATE B

## HANDLE TEMPLATE

## INSTRUCTIONS

## Steps:

1. Download and print out the templates.
2. Use scissors to cut out the cup on template A along the dotted lines.
3. Colour the cup and the characters on the cup.
4. You may draw your own characters or use any materials at home to decorate the panels of the cup.
5. Fold along the solid black lines.
6. Glue the Tabs A, B, C, D, E, F, G, H to the underside of Panels A, B, C, D, E, F, G, H to form the cup.
7. Cut out the handle template on template B along the dotted lines.
8. Colour or decorate the handle.
9. Fold along the black solid lines, then glue tabs 1 and 2 together.
10. Stick the handle to the cup to complete your very own octagonal cup.
11. Don't forget to share your creations @ACM\_SG #acmsg
