Sail 2

## INSTRUCTIONS

### Steps:

1. Download and print out templates A, B and C. Print 2 copies for template B.
2. Colour templates A, B and C with colour pencils or markers.
3. Then cut out templates A, B and C along the dotted lines.
4. Glue or tape parts 1 and 2 of template B together to form the sides of the ship.
5. Then do the same - glue or tape the tabs on the sides and stern of the ship to the hull.
6. Attach the sails onto sticks with glue or tape.
7. Use a small piece of Blu Tack or tape to attach the sticks onto the hull of the ship to complete.
8. Don't forget to share your creations @ACM\_SG #acmsg
