

WATERFALL

BIRTHDAY CARD

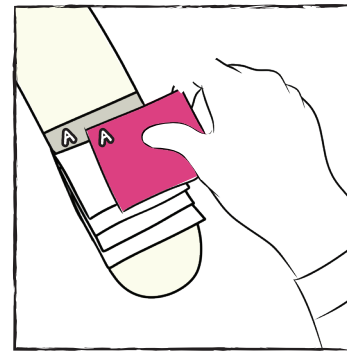

Did you know that the birth date of Children's Museum Singapore is on 8th December?
Let's make a special Waterfall Birthday card with WonderBot.

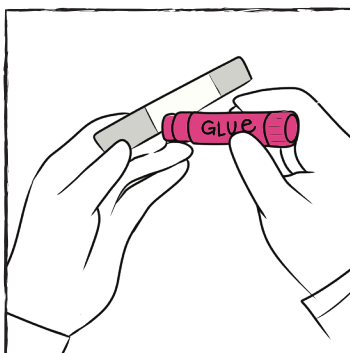

STEP 1:
Cut out all the pieces
along the red dotted
lines.

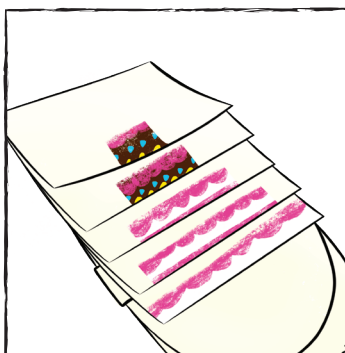

STEP 2:
Fold the card piece
along the black solid
fold lines.

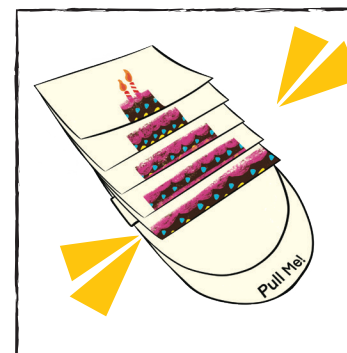

STEP 3:
Paste the colour panels to
the matching letters on the
card piece (grey panels).
Hint: Flip the colour panels
to find out their letters, then
paste A on A.

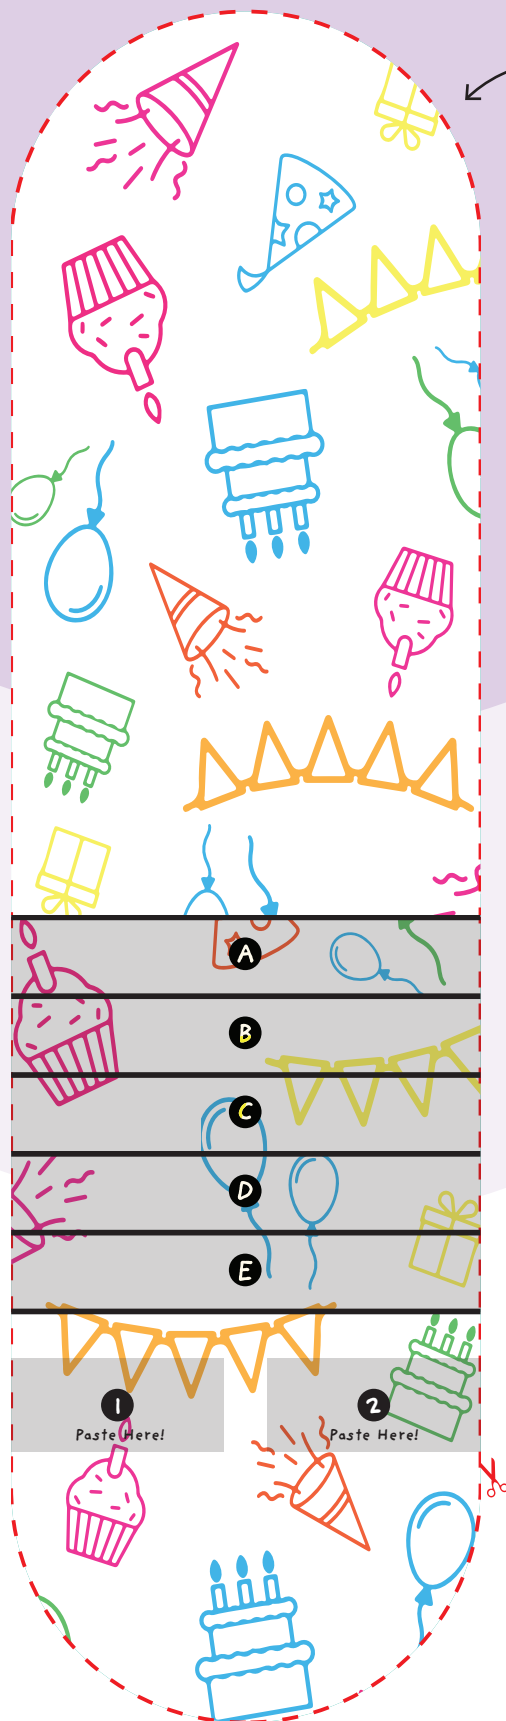

STEP 4:
Paste the sides of the strip
onto the matching numbers
on the card piece.
Hint: Paste 2 on 2.

STEP 5:
Decorate the birthday
cake with your favourite
toppings.

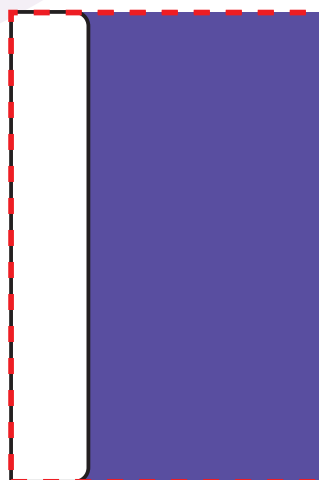

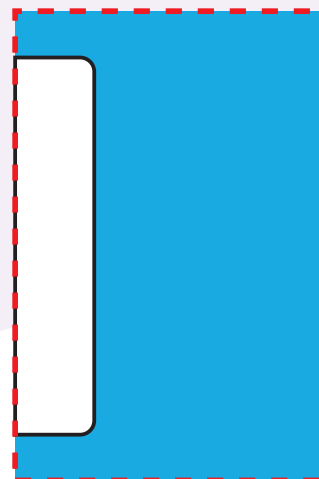

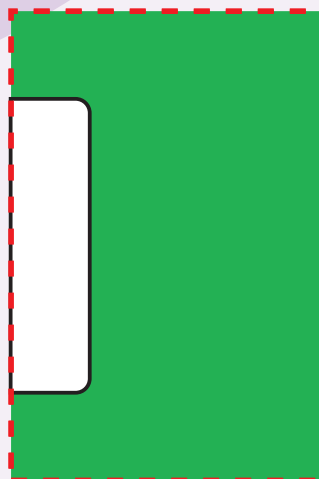

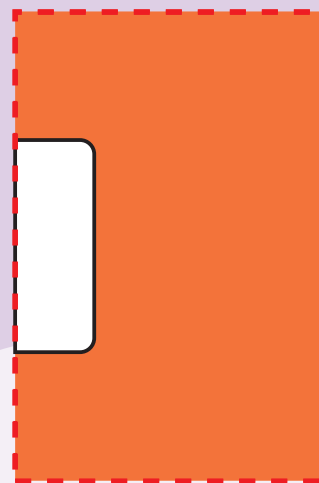

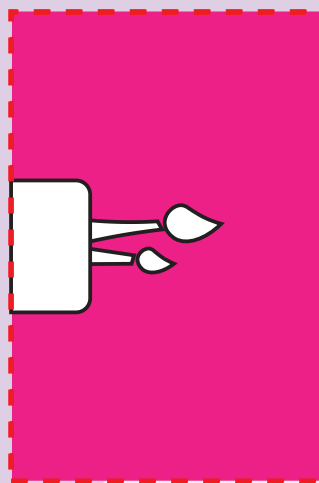

Congratulations!
Give the completed card to
someone whose birthday is
coming.
