## About you

Your name: Sean Cheng

Your age: 10

Your question for the senior:

What was your ~~from~~ favourite place to go when you were young?

## About your Senior Pen Pal

Senior's name: Jay Peh Huang

Senior's age: 90

Senior's answer to your question:

During that time, there are not many places to go. I love to watch Chinese opera. There will be a stage that built temporary and I will bring my own chair or stool to watch after doing my household chores. Besides that, sometimes will go picnic. Live now are so different, no computer, shopping centre nor cinema. We do not have much time also as we have a lot of houseworks to do. Treasure what you have now and never take for granted. GOD BLESS YOU.
