## Policeman

By: Seniors from NTUC Health Day Centre  
for Seniors (Dakota Crescent)

With such a tough and dangerous job, the policeman's uniform now comes with comfortable socks and sport shoes! The hat includes the policeman badge and there are also more pockets on his shirt to put handcuffs and other equipment the policeman may need. Of course, not forgetting a mask to protect him from any virus!

*"The policeman can run faster because he is wearing the sports shoes."*

- Mr Png Kang Heng, 74 years old

### Jewellery Craftsman

By: Children from Class K2C

This is a jewellery craftsman who creates interactive jewellery that will only be unveiled to mankind in the year 2030! He creates the jewellery out of the tools he uses! He also wears a mask as the pandemic never ends (scary!).

*"The jewellery man has a magic pocket on his shirt to put all his tools."*
