

Spot the Plants & Animals!

Watch: Video 1 Daily Mindfulness Techniques
05:13 – 10:10 Mindful Movements

There are 477 plants and animals in the National Museum's William Farquhar Collection of Natural History Drawings! Have a look at the original drawings and compare them to the animated versions in *Story of the Forest*.

Which ones have you spotted in *Story of the Forest*? Put a tick here!

Mangrove Fan Palm

Original Drawings*

Animations in *Story of the Forest*
