Permanent Galleries & Installations

Level 1
Singapore History Gallery

The Singapore History Gallery's updated narrative charts the development of the island as it was known through the years as Singapura, a Crown Colony, Syonan-To, and finally, Singapore. This gallery chronicles Singapore's journey from our earliest beginnings 700 years ago to the colonial days, the Japanese Occupation and post-war struggles, and to the global city we enjoy today.

Level 1, Glass Rotunda
Singapore, Very Old Tree

Singaporean artist Robert Zhao explores the personal connections that Singaporeans have with our local trees through this installation of 17 images of trees in Singapore.

Story of the Forest by teamLab

Level 2, Glass Rotunda
Story of the Forest

This larger-than-life interactive digital art installation is inspired by the museum's prized William Farquhar Collection of Natural History Drawings, and was created by internationally renowned Japanese art collective teamLab. It utilises cutting-edge technology to transform 69 drawings from the collection into animated illustrations, which come to life and interact with visitors as they make their way down the Glass Rotunda.

Level 2
Life in Singapore: The Past 100 Years

Spanning the past 100 years, these four galleries – Modern Colony, Surviving Syonan, Growing Up and Voices of Singapore – present snapshots of everyday life throughout the different eras in Singapore's history.

Level 2
Goh Seng Choo Gallery: A Voyage of Love and Longing

Voyage through the Malay Archipelago during the 19th century with a new selection of drawings from the William Farquhar Collection of Natural History Drawings. Retrace emotions experienced during the journey, and discover how the region's flora and fauna are featured in tales of love and longing in the Malay world. You can even send digital postcards from the sea to your loved ones, and take part in an online interactive game to chart your own sea adventure!

Wings of a Rich Manoeuvre by Suzann Victor

Level 2, Glass Atrium

With a history dating back to 1887, the National Museum of Singapore is the nation's oldest museum with a progressive mind. Its galleries adopt cutting-edge and multi-perspective ways of presenting history and culture to redefine the conventional museum experience. A cultural and architectural landmark in Singapore, the museum hosts innovative festivals and events all year round including the dynamic Singapore Night Festival, in addition to presenting thought-provoking exhibitions involving critically important collections of artefacts.

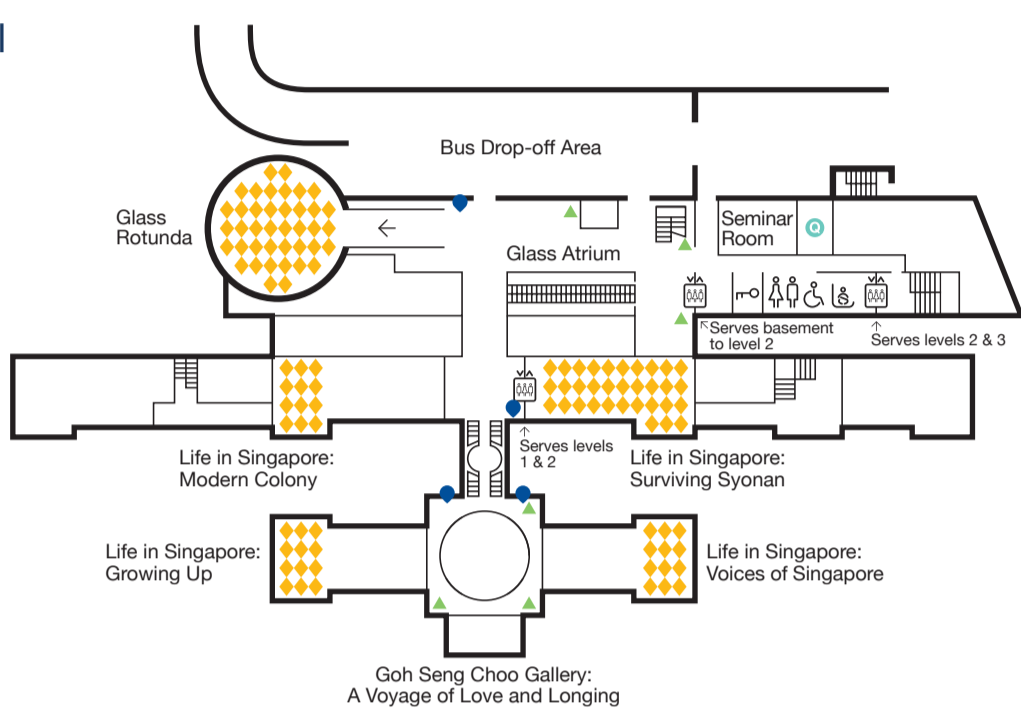

The National Museum of Singapore re-opened in December 2006 after a three-year redevelopment. The museum refreshed its permanent galleries and re-opened them in September 2015 for Singapore's Golden Jubilee. In 2017, it celebrated its 130th anniversary.

Come experience the National Museum and take another look at Singapore's history.
