CAPSULE 1: FABRICS OF SOCIETY

Inspired by the traditional garments and fabrics in Singapore's National Collection, this capsule breathes new life into the kaleidoscopic motifs and prints through bold interpretation, reimagined colours, and delightful juxtaposition – just like the interwoven fabric of Singapore's society.

VIBRANT HERITAGE/ MODERN REFLECTIONS NATIONAL COLLECTION by MUSEUM MARTKET

Inspired by the National Collection, and interpreted through contemporary eyes, our creations lovingly celebrates the richness of Singapore's culture, and fosters new appreciation of our heritage. Each item blends tradition and modernity, reflecting Singapore's unique history and its evolution into a vibrant contemporary society. In your hands is not a mere souvenir but an emblem of the Singaporean spirit, embodying stories and craftsmanship from the past to the future.

*The design of the products faithfully mirrors the actual object from Singapore's National Collection, including any variations that make each piece unique and rich in detail.

ABRY

Dynamic home-grown fashion and lifestyle retailer and distributor ABRY creates innovative concepts and models of work that inspire hope, affirm every individual, nurture talent and enrich communities. ABRY is known for its social impact working with marginalised communities, while delivering a track record of purpose and collaborative commercial sustainability.

MUSEUM MARTKET

Conceived by ABRY, with creative partner Theseus Chan, MUSEUM MARTKET creates and curates contemporary design and art merchandise. Fresh and new artists' and designers' brands that inspire creativity and a creative lifestyle. Looking for a sense of originality, modernity and newness from both emerging and acclaimed talents from Asia merging with established international creators. MUSEUM MARTKET hopes to establish its own visual culture, vision and purpose through art and design.
